

Dear GAHRA Supporter:

In the past, vendors have gained 'membership' with GAHRA by paying \$100 any time during the year. However, the vendor's fees will now be due immediately for the fiscal year, October 1 through September 30, which is the same as all housing authorities. Due to IRS verbiage, vendors cannot be 'members' of GAHRA but will obtain the same benefits including the password to access the GAHRA Housing Authority membership information with 'web access fee' of \$100 each year.

If you visit the www.gahra.org website, you will notice that your agency is not listed as a vendor since your last payment for access was before September 30, 2012 - which would have been for the 2011-2012 fiscal year.

We are attaching the Greetings! and the Web Access Fee application, which is also on the www.gahra.org website under the Vendors tab.

If you have any questions, please contact:
