Greetings,

The Georgia Association of Housing and Redevelopment Authorities (GAHRA) represents 187 Housing Authorities and eight CDBG Agencies located throughout the State of Georgia. We provide employment for over 3,000 Georgia citizens. We receive \$538,054,000 from Federal sources and have an impact of \$453,000,000 in local communities.

We have several opportunities for your organization to exhibit your products and or discuss your services with Executive Directors, Maintenance Management, and other key employees of the housing authorities and CDBG agencies in the State of Georgia. These opportunities are listed below.

**AFFILIATE WEB ACCESS** – Information, benefits and eligibility of access are on the [www.gahra.org](http://www.gahra.org) website listed under the Vendor tab. The web access year begins October 1 through September 30. The Web Access Fee is \$100 per year.

**SPRING CONFERENCE** - May. This is a training conference for all housing authority staff including maintenance personnel and commissioners. There are no exhibits at this conference.

**SUMMER MAINTENANCE WORKSHOP** – July. This hands-on workshop is attended by an average of 200 maintenance management and staff each year. Registration fee includes booth space in the exhibit area and dinner. More information and registration form is on the [www.gahra.org](http://www.gahra.org) website under the Vendor tab.

**ANNUAL CONFERENCE** – September 2014 in Hilton Head, SC.

Our annual conference is attended by 400+ housing authority commissioners, executive directors, maintenance directors and other staff members. Registration fees include exhibit booth space (normally 8 x 10) for one representative. Additional booth workers, representatives or guest fee is additional. Professional fees without a booth are available. Tickets to all functions are included in the registration fee.

If you are interested in becoming an affiliate supporter of GAHRA, please complete the membership form and return with the web access fee to the address above.

Sincerely,
