

HUD Area Median Income (AMI) Limits 2016

To check whether you qualify, total the number of people (including yourself) in your household, and check whether your total annual household income is below or above the 50% AMI level or the 80% AMI level.

If it is below either of these two levels, return to the webpage to see the next steps for making an offer.

Persons in Family	50% Area Median Income	80% Area Median Income
1	\$23,650	\$37,800
2	\$27,000	\$43,200
3	\$30,400	\$48,600
4	\$33,750	\$54,000
5	\$36,450	\$58,350
6	\$39,150	\$62,650
7	\$41,850	\$67,000
8	\$44,550	\$71,300
